

START YOUR CAREER IN THE ENVIRONMENTAL TECHNOLOGY INDUSTRY

Earn Entry-Level Industry Certification

- 40-Hour OSHA Health & Safety Certificate
- 10-Hour Construction Safety
- Preparation for Asbestos Worker and Supervisor license

Work in a Growth Industry

- Whether the economy is strong or weak federal regulations require that industrial and environmental hazards be contained, tested, monitored, remediated, and disposed of.
- Jobs cannot be outsourced overseas.

Good Salary and Benefits

- The average entry-level job pays \$13.00 per hour or \$27,000 per year, including benefits and good advancement potential.

Transferable Skills

- You will be prepared for Field Technician and/or Lab Technician positions.
- Work in one or more of these job clusters: Waste Management, Air & Water Quality Monitoring, Emergency Preparedness & Response, Hazardous Materials Handling and Transport.
- Work in Biotechnology.

Widely Recognized Curriculum

- Curriculum is developed with Suffolk University and UMass Lowell, and approved by the U.S. Environmental Protection Agency and the National Institute for Environmental Health Sciences.
- Training program is licensed by the MA Department of Education.
- Featured in Boston Globe editorials "Job Training That Works", and "Working the Earth."

CURRICULUM

Environmental Technology applies the basic principles of science and engineering to manage and protect natural resources and to ensure community health and safety.

ABOUT US

JFYNetWorks is one of Boston's leading workforce development organizations, conveniently located in the heart of downtown Boston at the Park Street T Station. Our mission is to provide high quality education and job training services that will empower youth and adults to realize their full potential as achieving students, productive employees and responsible citizens.

JFYNetWorks is a private 501(c)(3) corporation, funded by public contracts, United Way, and foundation, corporate, and individual supporters. Most training slots are funded. Individual Training Vouchers (TTA's) are accepted.

JFYNetWorks does not discriminate against any person because of her/his race, color, religious creed, national origin, sex, sexual orientation, age, ancestry, disability or marital status in the provision of or access to services, employment and activities.
